Dear Mr. Alexant

On June 26, 2002, the Department of Environmental Services (DES) conducted an inspection of the Jaffrey Water Works. The purpose of the inspection was to determine Jaffrey Water Works' compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Jaffrey Water Works was issued Letter of Deficiency No. WMD 02-29 ("LOD"). Based upon a review of Jaffrey Water Works' submittal dated October 22, 2002, DES has determined that your facility has corrected the deficiency identified in the LOD.

Please be advised that DES will continue to monitor Jaffrey Water Works' compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
